ORDER

In this petition numerous allegations of fabrication and forgery of documents have been made. I have heard learned counsel for the petitioners at some length and during the course of arguments reference has been made to various documents to show that documents are fabricated. The parties have appended certified copies of the documents. The authentication has been made by some professional. Obviously the authentication could be made by keeping in front of such a professional the original. It has therefore become necessary to call upon all the parties to the proceedings to deposit with Bench Officer all those original documents, certified copies which have been placed on record with their respective pleadings. The needful shall be done within 15 days. The documents mentioned by the Petitioner in CA No.299/2013 (para-6) admitting that the originals are with them shall also be deposited with the Bench Officer within 15 days. It is made clear that after the documents have been deposited with the Bench Officer then the same shall be open to inspection by the parties within a week thereafter.

List on 04.04.2016 at 2.30 PM.
